

## Famous Diva Visits Wounded

ADAPPE PATTI VISITING WOUNDED IN ENGLISH HOSPITAL

The famous diva, Adeline Patti, is also doing charitable work in the hospitals of England. A ward in the Swansea hospital has been dedicated to her and she has special charge of it. Later this week she will sing "Home, Sweet Home" in a concert given for the benefit of the Belgium refugee fund. Miss Patti had a most brilliant career on the operatic stage. Her equal has never been heard since she retired into private life. She married three times, once a French count, once an Italian artist. She is now the wife of baron Ralph Cedarstrom, whom she married in 1899. The baron owns a beautiful castle called "Craig Y Nos," which is situated in South Wales, England.

GERMAN CAVALRY  
FIGHT IN TRENCH

Kaiser Says It Is His Fault  
that Horsemen Were Not  
Trained For This.

Berlin, Germany, Nov. 10.—German cavalry has been called upon in the present war to perform duties of a character differing widely from those emphasized in maneuvers a few years ago.

Only rarely has there been an opportunity to launch the thrilling cavalry charges then favored. Instead, the high spirited horsemen frequently are used both in the east and west to hold trenches and fill out the lines of the infantry.

Emperor William, in an address to the officers of a cavalry division which served in a Belgian town said: "I learn with pleasure that the cavalry fought brilliantly. The horsemen in this war have been entrusted with tasks such as I never believed possible. It is perhaps my fault that the training in times of peace never included the duties which the cavalry are here performing. The cavalry fought with bayonets and entrenching tools and Gen. von Marwitz's infantrymen are proud to charge with their brothers of the cavalry."

"I hope, however, that the cavalry may yet have an opportunity to use their lances if we succeed, with the help of the dear God, who already has permitted us so many successes, in vanquishing the enemy."

Best Laxative  
For Children

When your baby is cross and fretful instead of the happy, laughing little dear you are accustomed to, in all probability the digestion has become deranged and the bowels need attention. Give it a mild laxative, dispel the irritability and bring back the happy content of babyhood. The very best laxative for children is Dr. Caldwell's Syrup Pepsin, because it contains no opiate or narcotic drug, is pleasant tasting and acts gently, but surely, without griping or other distress. Druggists sell Dr. Caldwell's Syrup Pepsin at fifty cents and one dollar a bottle. For a free trial bottle write to Dr. W. R. Caldwell, 461 Washington St., Monticello, Ill.—Advertisement.

tried other things by the score and will now try "GETS-IT," you will realize this glorious fact. You probably are tired sticking on tape that won't stay stuck, plasters that shift themselves right onto your corn, contraptions that make a bundle of your toes and press right down on the corn. Put two drops of "GETS-IT" on that corn in two seconds. The corn is then doomed as sure as night follows day. The corn shrivels. There's no pain, no fuss. If you think this sounds too good to be true try it tonight on any corn, callus, wart or bunion. "GETS-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by E. SERVIANS WIN, IS REPORT

Paris, France, Nov. 10.—A dispatch from Nish, Serbia, to the Havas agency contains the following statement concerning the frontier fighting: "The Austrian attacks of November 6 against the fortified positions of Jagodina, Borsanet and Gontchevo were repulsed. On the same day the Austrians, bringing up large reinforcements, attacked our positions on Shabats, but were forced to withdraw to their original positions, suffering heavy losses."

"The sharpest fighting took place in the villages of Dordrditch and Jevremovic for 12 hours. Many feats of heroism were manifested by both sides. The Servians, however, having the advantage of position, succeeded in repulsing the attack."
